

Launch of the Quintet by Gita Bayu

Yee Seng Heights Sdn Bhd, the multiple award-winning boutique developer of Gita Bayu, introduced its latest creation, the Quintet, a limited edition of 5 luxury bungalows. Consisting of 5 bedrooms + 5 bathrooms, each of the bungalows is unique - providing the owner a sense of ultimate exclusivity. Built on land areas ranging from 7,556 sq ft to 9,214 sq ft, the Quintet features a modern tropical design with an open living concept that is in harmony with the lush green landscape preserved in Gita Bayu.

At the launch, Andre Keller, the CEO of Yee Seng Heights, commented, "The open concept is rare but not new. If we look back at the vernacular Malay architecture, there is openness everywhere - open spaces, open verandahs, open kitchens and more. We would like to attract homebuyers who appreciate these elements of tropical living."

Working with renowned architect, Gregory Dall from Pentago Studios Sdn Bhd, and also interior designer, Nick Proud from RDM Design Sdn Bhd, the Quintet caters to those who love nature and tranquility with a distinctive taste for luxury. This exclusive development has a starting price of RM7.8 million and is available for public viewing (by appointment only).
